**Re: In Memory of Douglas Stuve**

TSX Venture Exchange joins the capital markets community in expressing our profound sadness following the recent passing of Doug Stuve. Mr. Stuve was a partner of Burstall Winger Zammit LLP and practiced corporate finance and securities law in Calgary since 1993. He served as a member of advisory committees to the TSX Venture Exchange and previously to the Alberta Stock Exchange, and as an instructor for our Learning Academy mentorship courses. He also served as a director of many public and private companies in various sectors and industries, including oil and gas, mineral exploration, pharmaceutical and technology. A well-respected member of the industry, he leaves an impressive legacy and we are grateful for his innumerable contributions. Our team extends sincere condolences to his family, friends and colleagues.
