# TMX Production Alert

## Technical issue Encountered with a Subset of Symbols in TSX MOC Facility

We are currently investigating an issue where the MOC did not run on a small subset of symbols. These symbols include:

WEED  
WSP  
TFII  
WTE

Updates will be provided as soon as possible.

For more information contact [TMX Market Operations](#) at (416) 947-4357.
