TMX Equities Trading Notice

Desjardins Funds Begin Trading on TSX NAVex Platform

TSX NAVex™, Toronto Stock Exchange's state-of-the-art centralized mutual fund solution, today announced the partnership with one of Canada's largest mutual fund managers, Desjardins Investments Inc. ("DI"), to its platform.

Desjardins Investments Inc., the manager of Desjardins Funds, will be launching 16 of its mutual funds on the TSX NAVex platform, including seven Responsible Investment (RI) funds that are 100% free of oil production and pipelines. With more than \$36 billion in assets under management (as of June 30, 2020), Desjardins Investments Inc. oversees the largest portfolio of RI funds in the country – and its presence on the TSX NAVex platform will give Investment Industry Regulatory Organization of Canada (IIROC) registered investment advisors the possibility to bulk trade mutual funds more efficiently.
