Take Your Career to the Next Level

CIRI understands the various challenges facing newly listed issuers.

How do you comply with complex regulatory hurdles, deal with internal and external factors of market volatility, manage the expectations and demands of investor relations and adapt to the post-IPO expectations of the market, competition, innovation and stakeholders?

CIRI membership offers additional support to help IPO issuers adapt to these challenges. The TSX Membership Promo offers TSX newly uplisted issuers a 15% discount on their first-year membership dues.

As a member of CIRI, the individual IRO receives the full support and benefits, access to resources, professional development events, networking opportunities, issues education and investor relations advocacy regarding issues impacting the Canadian capital market.

WHO QUALIFIES

Individual IROs from newly uplisted issuers to the TSX. Complete the [online membership](#) application form using promo code TSXSAVE15%.
